Hearth Pop: before and after

Gnome Venture art rework, progress sheet, November 2026. Left is the old game art, right is the new. Style guide: **art-style-guide-v3**.

What is done

Section	Done
Items and icons	3 examples + 18 (batch 1) + 18 crops and seeds (batch 2) + 406 (rollout run 1) = 445. About 1,200 static items to go.
NPC portraits	3 examples (2 redrawn, 1 new species). 79 redraws and 21 species still to do.
2.5D models	Gnome player (10-layer recolourable rig), hedgehog NPC, frog. Species set and action poses still to do.
Scenes	Maplewold region, cottage, Central Asia banner. 13 regions and the rest to do.
Welcome flow	All 11 placeholders drawn and placed.

Rules in one line: chunky cute characters, slim well-lit objects, one thin ink outline, light from the upper left, material detail, one quirk per picture, colour not capped.
